

Good afternoon MHS Parents and Students,

Thank you so much for an amazing school year! Now that we have reached our summer vacation, I need to communicate important information pertaining to this summer.

- The MHS Main Campus will be under construction all summer! As a result, we will be housed in the Marcus 9th Grade Campus from June 3rd through July 25th. Our phone numbers will remain the same throughout the summer and we will conduct business as usual. If you need to come to Marcus High School for any reason between now and July 25th, please go to the Marcus 9th Grade Campus. Our business hours will be from 8:00 am – 5:00 pm, Monday through Thursday.
- In lieu of a “Back to School” orientation prior to the beginning of the school year, we will have meetings with our students during the school day as part of our first week of school. All students will be introduced to their assistant principal, counselor, attendance clerk, class sponsor, & School Resource Officer. For our incoming sophomores and families, we recognize that while most of our freshman have already had some classes here at the main campus, the full-time transition to the Main Campus may bring anxiety and questions. Sophomore parents, please know that we look forward to getting to know your students at the beginning of the school year and we will take care of them!

Please be aware of the following dates:

August 5th: Students and parents will be able to view class schedules in Skyward.

August 6th & 8th: Students and families will be able to come to Marcus High School in the evening between 6:00 pm and 8:00 pm to walk class schedules and become familiar with the campus.

Students, we are so proud of you! Thank you for making the 2018-2019 school year so enjoyable, and we cannot wait to see you again in August! Parents, thank you for sending us such wonderful kids to work with and for supporting Marcus High School. I hope you all have a wonderful summer!

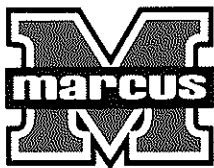

Sincerely,

Will Skelton

Principal

Edward S. Marcus High School
