

COMMITTED TO EXCELLENCE

DATE: February 26, 2013

TO: Patrick Schott, Principal

SUBJECT: Forest Vista ES - IAQ - Nurse's Office

After meeting with you yesterday, you had an IAQ concern about the Nurse's office. I am submitting a P.O. to have the Nurse's office Air tested. The Air Test will be done as soon as we have a day that the temperature is 65 to 70, and no rain.

If you have any questions, please call me.

Thanks,

Paul
