SUBJECT: Heritage ES - IAQ - Inspection and Air Test - Room B-21

I received your E-mail yesterday, and set up Work Order #160394: "*There has been an air quality test requested for room B21*". I inspected the room this morning, and saw nothing of mold or water intrusion. I have made a P.O. request for an Air Test this week. We should have the results back by the first part of next week.

If you have any questions, please call me.

Thanks,
Paul
