

2nd Grade Water Safety & Swim Program
Lewisville ISD
LISD Aquatic Center
5729 Memorial Dr. The Colony, 75056
(469) 948-2750

Mission statement: To develop swimming skills, to save lives by teaching participants about water safety, giving our students the tools to make good decisions in and around water while building champions in life.

In a nurturing environment, while challenging each student, swim coaches will test each student and group levels will be created. Each day there will be safety lessons. These safety lessons are based on the Red Cross Safety Program “Longfellow Whale Tales” and the main theme we want our students to come away with is “Do Your Part, Be Water Smart.”

This program length is 1 hour for 2 days. Students will be accompanied by their classroom teacher and transported by school bus to the LISD Aquatic Center. The center is located near Hawaiian Falls on Memorial Drive.

Students are to furnish: 2 towels, swim apparel, hair ties or swim cap, comb or brush, & goggles in a bag. Labeling these items and having a sweatshirt with a hood or hat is suggested. Wearing tight fitted clothes these days is not recommended. Please do not bring anything made of glass to the pool.

It is necessary that a parent or guardian approve the students participation by completing the permission slip below and returning it to the Homeroom Teacher.

Date and time of Program: _____

Permission Form

Dates & Time student is participating in program _____

Homeroom Teacher _____ School _____ Grade _____

_____ (Student’s Name)
