

# COVID-19 VACCINE CLINIC

## AGES 5-11

LISD is collaborating with Passport Health to host free COVID vaccine clinics at various campuses for students ages 5 through 11 who choose to receive the Pfizer COVID-19 pediatric vaccine. Parents/guardians must be present for students to receive the vaccine.

Insurance information will be collected at the clinic; a state issued ID is required if you do not have insurance.

Vaccines will be available during two-week windows at designated campus locations\* for both the first and second doses.

**FIRST DOSE:**  
**DEC. 1 - DEC. 16**

**SECOND DOSE:**  
**JAN. 10 - JAN. 26**

\*Dates, times and locations are subject to change
